WALTER J. TURPIN.

Baber & Turpin,

WHOLESALE AND RETAIL MERCHANTS.

Our big line of Fall and Winter goods are arriving daily, and the prices are lower than ever although all goods have advanced, and the reasons are that we bought early and bought direct from factories, and we prefer to give our customers the benefit of the good bargains.

Although leather has advanced from 25 to 50 per cent, we are selling shoes at the old prices, and therefore we are selling shoes cheaper than our competitors can buy them themselves.

Remember that we carry the largest line of Groceries in Southwest Virginia, and all the merchants, as well as the consumers, of this section acknowledge that we are the leaders. Our Motto:

"FAIR AND HONEST DEALINGS WITH ALL MANKIND."

If you can't come to market, order your goods, and we will ship them by first train. We are headquarters for Country Produce.

Respectfully,

BABER & TURPIN, POCAHONTAS, VA.

The cure of rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for Indigestion and Constipation, and also found it gives me relief from a touch of Rheumatism."—N. Hughes, Lordsburg, N. M.

There was a great deal of excitement Tuesday when smoke was discovered issuing from around a window frame and through the floor of the court house, but upon investigation it was discovered that the soot in one of the flues was on fire and smoke escaping through cracks in the wall. This matter should be looked into and if there is any defect in the flue it should be remedied at once.

The Lager Cornet Band will give a grand concert on the 14th and 15th inst; the proceeds to go to

wards purchasing uniforms for the band. The people should turn out and encourage these young men in this matter, as a good band is an advantage to any community, and this one, under the instruction of Prof. Elmer Hallett, gives promise of speedily becoming a first class band, one of which the community will be proud. They have a good program, and the price of admission is small, being only 15 and 25 cents. Turn out and show the boys that you appreciate their efforts to get up a good band.

Many people, when a little constipated, make the mistake of using saline or other drastic purgatives. All that is needed is a mild dose of Ayer's Pills to restore the regular movement of the bowels, and nature will do the rest. They keep the system in perfect order.

Col. William H. Brown.

Editor Clinch Valley News:
We were glad to see in your last paper a notice to the effect that after long years of waiting, that soon a suitable monument will be erected to mark the last resting place of the gallant Col. Brown, who led the 45th Va. Regt. during the late war, and who lost his life at Piedmont, Va., fighting for a cause which we all deemed just. And now let the survivors of the 45th Regt., the old gray Confederates, heed the call, not to arms, but to meet together again on the occasion of the unveiling of the monument at Tazewell, and pay this last tribute to the memory of our honored Colonel, whom we dedicated to follow during the days of war.

We hope many of the survivors of Companies "A," "G," "H" and "K," of Tazewell county; "B" and "D," of Wythe county; "C," of Grayson county; "F," of Bland county, and "E" and "I," of Carroll county, which companies composed the 45th Regt., will be there, and together with other Confederate veterans, and other organizations, join in the procession and let this be a grand rally and hand shaking of old soldier boys, as well as a merited tribute to the memory of our honored Colonel.

Ord. Sergt. Co. "A," 45th Va. Regt. Cedar Bluff, Nov. 5, 1895.

What use is there in eating food when it does you no good—in fact, when it does you more harm than good, for such is the case if it is not digested.

If you have a longing for food there is no use of forcing it down, for it will not be digested. You must restore the digestive organs to their natural strength and cause the food to be digested when an appetite will come, and with it a relish for food.

The tired, languid feeling will give place to vigor and energy, then you will put flesh on your bones and become thoroughly strong. The Shaker Digestive Cordial as made by the Mount Lebanon Shakers contains food already digested and is a digester of food as well. Its action is prompt and its effects permanent.

Doctors prescribe LAXOL because it has all the virtues of Castor Oil and is palatable.

Those who take SIMMONS LIVER REGULATOR (liquid or powder) get all the benefits of a mild and pleasant laxative and tonic that purifies the blood and strengthens the whole system. And more than this: SIMMONS LIVER REGULATOR regulates the Liver, keeps it active and healthy; and when the Liver is in good condition you find yourself free from Malaria, Biliousness, Indigestion, Sick-Headache and Constipation; and rid of that worn out and debilitated feeling. These are all caused by a sluggish Liver. Good digestion and freedom from stomach troubles will only be had when the Liver is properly at work.
